# What is OggCamp?

- OggCamp is the largest UK (un)conference celebrating Free and Open Source Software, Free culture, the Maker movement, digital rights, education, and all manner of collaborative cultural activities.
- This year we're planning on having 4 tracks, our main stage with a number of scheduled talks, along with our traditional 3 '(un)conference' 25 minute talk slots!
- After taking a break, we are back in 2024:

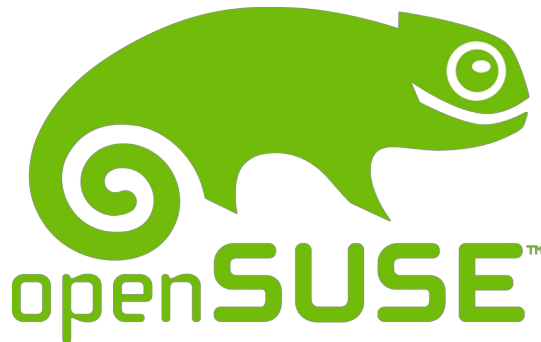

**Manchester Conference Centre**  
**12<sup>th</sup> & 13<sup>th</sup> October 2024**

We're usually joined by developers and representatives of projects such as: Raspberry Pi, the Linux kernel, Ubuntu, Debian, OpenSuse, Micro:Bit, Drupal and many more!
